

iPianoLab

online after school keyboard club

iPianoLab Keyboard Clubs are the fresh, fun way to learn piano or keyboard, **ONLINE!** While most traditional methods focus on months of drills and boring “baby” tunes before a student gets to play *real* music, **iPianoLab** teaches kids the keyboard basics on engaging songs they really like! *Imagine Dragons, Spongebob, Super Mario Bros, Star Wars, Havana, Old Town Road, Dance Monkey*, even **Bach** and **Beethoven** are all in reach, right from the first lesson! **iPianoLab** puts the emphasis on student accomplishment, and a child who likes practicing is a child who can make rapid progress on the instrument!

And **iPianoLab** isn't just fun, but a comprehensive course that teaches **ALL** the keyboard basics in a fast paced, interactive small group setting.
