

Second Annual

Benefit Dinner and Auction

Presented by Clayton Elementary PTA

Dear Community Supporter,

Greetings from the Clayton Elementary PTA!

We are contacting you today to kindly request your support for Austin ISD's Nan Clayton Elementary School, home of the Clayton Cardinals! Clayton Elementary School, located in southwest Austin, Texas, currently has a Texas Education Agency Accountability Rating of "A". Clayton's "flight plan" is to promote these traits: always be Respectful, Responsible, Motivated, Kind and Honest.

One of the PTA's goals in supporting Clayton Elementary School is to create fundraising opportunities to assist the school in supplying much-needed resources benefiting our students, teachers, administration and staff. The PTA is proud to host our second-annual dinner and auction fundraiser, "the EVENT", on April 2, 2020 at the Creekside Events Center just down the road from our school in Driftwood, TX.

Will you please help us in the mission of fundraising for Clayton Elementary School by donating a gift for the live auction portion of *the Event*? We will graciously accept your gift in many forms including: certificate or gift card for your services, products, rentals and experiences or in-kind donations of products.

We are looking forward to a great evening at *the Event* fundraising for our school to assist with filling in the "budget gaps" for things such as classroom supplies support, early reading intervention support, improving technology, continuing education events and student programs.

All donations are tax deductible.

Donation pick-up can be arranged by contacting:

Kimberly De La Garza 214-668-5898
ClaytonFundraising@gmail.com

or mail to:
Clayton Elementary
