## REMIX Fitness event

### fundraiser kicks off next week!

Hello Parents/Families,

We're excited to announce that our school is participating in the Apex Leadership Co program as our major fundraiser of the semester.

Our goal is to provide our awesome students with the best education and school experience possible and to make sure they have the tools they need to learn and grow. We understand that some of our families may not be able to donate, and that's OK! All students are included in the program regardless of financial participation in the fundraiser. If you can help, please know that no donation is too small.

#### About the Apex Leadership Co program:

Apex is a 2-week interactive school leadership program that encourages development of leadership habits and good character, combined with a fitness-focused event fundraiser that helps schools raise much needed funds.

The Apex program is flexible and adaptable to allow all students learning remotely and on campus to take part in this fun and exciting event.

#### Apex Leadership & Character Theme: MIGHTY

Apex's leadership program focuses on developing student self-control and interpersonal skills vital for school and life success. This year's MIGHTY theme will take students on an exciting journey as they learn the different habits it takes to be a MIGHTY leader! These quick, engaging lessons tie in with our school's vision and mission, encourages students to create a positive environment, and inspires them to lead by example.
